We have received thousands of testimonials over the years. You can read more on our website: www.cukierski.net TESTIMONIAL: "I thank you for the Holy Oils as I know it has brought about many healings. My friend next door suffered a thyroid storm (thyrotoxic crisis) - was not expected to live and I gave her husband the St. Pio oil - they blessed her with it and she recovered rapidly. The tumors were benign! A young mother received my other St. Pio oil-they discovered a brain tumor 6 days before Christmas- it was successfully removed! When someone is in need I just give it to them for their urgent needs. I don't know of any other (place) where the Holy Oil can be obtained. I bless my grandchildren with the Holy Oil and if I forget to bless them they ask me to please bless them when they come to visit.
